Ceremony

At 'Morinoatorie', you can choose from three ceremony styles: 'Star Wedding', 'Non-religious Ceremony', and 'Christian Ceremony'. Our standout recommendation is the 'Star Wedding'. This ceremony style allows you to pledge your love under your very own stars in a planetarium. Your guests too can enjoy the romantic ambiance while viewing the starry sky.

Star Weddings are conducted in a state-of-the-art digital planetarium.

The Star Wedding at the observatory will be fully orchestrated by our special astronomy staff, with the stars as the theme.

With Star Wedding, you can actually observe the star you pledged to through a telescope.

The Christian Ceremony takes place in a forest garden surrounded by trees.

Cuisine

Our female chef lovingly prepares a French-style course meal from scratch, using fresh local ingredients that have been blessed by the stars and the sun of Minami-Aso. Our wholesome, freshly made meals have received high praise from everyone, from the elderly to children.

Stay

Accommodations are available on the premises at 'Morinoatorie' to align with your wedding day. The main and annex buildings, filled with imported furnishings and playful antique decorations, offer twelve types of guest rooms. In front of the main building, there's a spacious garden of about 2 acres, allowing you to savor the changing seasons of Aso. It is a perfect place for guests from afar to slow down and truly experience the natural beauty of Aso.
